

WARRANTY

Manufacturer's Limited Warranty

All **Exodus Stored Energy** products are individually inspected and quality-checked before shipment. Should any of our products fail due to any inherent defects in the product itself, we will gladly repair or replace as covered under our warranty.

Important Warranty Information:

Warranty Terms and Conditions

Unless another warranty is agreed upon in the Terms of Sale, **Exodus Stored Energy** warrants only to the original purchaser of **Exodus** product that the product is free of defects in material and workmanship for a period specified below. Warranty only applies to orders originating in North America, from the date of purchase as indicated on the receipt/invoice.

- This warranty covers defective products. Any defective products will be repaired or replaced with a new product of the same or equivalent model, at Exodus Stored Energy production facility.
- This warranty does not cover damage to the product caused by abuse, neglect, improper use, unauthorized modification or tampering, improper maintenance, normal wear and tear, disposal in a fire, freezing, theft, accidental damage, or other forms of physical damage.
- This warranty shall be in lieu of any other warranty, express or implied, including but not limited to, any implied warranty of merchantability or fitness for a particular purpose.

*** The LiFePO₄ warranty is prorated 2 year warranty, divided into three periods from date of invoice. Coverage is as follows:**

Month	1~6	7~12	13-18	19-24
Discount from MSRP	100%	75%	50%	25%

[For example, a valid warranty claim made 5 month after the date of purchase would result in a free replacement from **Exodus Stored Energy**. If the warranty claim is made 14 month after the date of purchase, the customer will pay for 50% of the MSRP price of the replacement battery.]
